**PAINFUL INJECTIONS.  
ADDICTIVE PILLS.  
SMELLY CREAMS.  
STICKY GELS.**

**ALL IT TAKES IS  
2 MINUTES  
NRS & YOU!**

Neuro Reflex Stimulation (NRS) Therapy with Cryofos uses hyperbaric medical CO<sub>2</sub> gas to drastically lower skin temperature within seconds. This abrupt temperature change and the pressure from the gas triggers a neuro-reflexive response causing your body to utilize resources that are already within you to combat your pain.

**NRS** NEURO REFLEX  
STIMULATION
